

According to the Turkish Ministry of Interior's recent circular, all of our ticket holder guests and everyone attending are obliged to hold a **Vaccination Card** or to a **negative PCR test result that is valid maximum 48 hours** through the HES application.

Guests who do not demonstrate their Vaccination Card or their negative PCR test results to the staff will not be admitted to the event area.

- Risk Status, Vaccination Status, Disease Status and Test Status of the participants will be checked via HES (Hayat Eve Sığar) application. Therefore, all of the ticket holders should make sure that the HES application is up-to-date and that the Risk Status, Vaccination Status, Disease Status and Test Status settings should be open to sharing.
- Guests with a measured body temperature above 38°C will not be admitted.
- Due to controls at the entrance of the event area, guests are required to be ready with their documents and to form a line by following the 1.5 meter physical distancing rules.
- It is mandatory to wear face masks when entering the event area and during the event.
- In case of an increase in waiting time due to the further controls in entrance lines, all guests are asked and required to be at the event area at least 1 hour prior to the start of the event.
- All guests must follow the designated seating arrangement according to their purchased tickets due to the special measures of the pandemic.
